

Building Visionary Leadership for Authentic Worship

Dear Colleague:

NACM asks you to prayerfully consider supporting your organization above and beyond your membership dues. Our strength as an organization lies in our ability to help each other succeed. Every donation helps, but let me give you some idea of what your gift might make possible.

- A gift of \$2000 will pay the bulk of the expenses for a headline clinician at the convention.*
- A gift of \$1000 will pay for many of the expenses of one of our other convention presenters.*
- A gift of \$750 will pay to print one issue of our Journal*
- A gift of \$500 will pay for the on-site expenses associated with our mid-winter Board meeting.*
- A gift of \$250 will pay for most of the production expenses for one issue of the Journal.*
- A gift of \$100 will pay to mail one issue of the Journal.*
- A gift of \$50 will pay for the mailing of this letter.*

Thank you for your support in the past. We appreciate your continuing to help us serve you better.

Blessings,

*Dr. Vernon Sanders
Executive Director*
